

Fall Gourmet Treatments

Espresso Pedicure*

Relax & recharge with a pedicure that titillates with the unmistakable aroma of a hot espresso on a cold Fall morning. Caffeine will revitalize your soles in our colorful soak of autumn leaves and milk and soothe tired, achy feet. Your skin is then exfoliated with a stimulating custom blended coffee scrub that will soften skin and reveal a fresh, glowing layer. Rehydration with a Shea butter mask filled with botanical extracts and a massage complete your pampering 'wake-up' call. \$50

Pomegranate & Fig Pedicure*

This treatment is an exotic experience for the holiday season that combines the potent antioxidants of pomegranate with the nurturing elements of fig. Beginning with an invigorating pomegranate & fig soak that will awaken the senses with its fruity, yet heady aroma; exfoliation with organic fig seed and cane sugar buff follow. A refreshing mask and soothing massage for your legs and feet complete this pedicure before we polish and groom your nails. \$50
